

# NEXT STEPS

---

Comments  
should be  
submitted by  
April 21

- Public comments will be reviewed and response letters will be issued
- IDOT and FHWA will select the Preferred Alternative based on the results of the DEIS and weighing public input
- The Preferred Alternative will be presented to the Federal and State resource agencies in September for approval
- Check the US 51 website for updates: [www.us51eis-idot.com](http://www.us51eis-idot.com)
