**This questionnaire is your opportunity to comment on specific issues prior to selecting the Preferred Alternative. When commenting on the alternatives, please be specific as to which alternative you think should be selected as the Preferred Alternative and why. You may wish to comment on all of the alternatives or only those near your community. Refer to the summary table of impacts to support your decision. IDOT encourages you to comment on project elements that you support as well as items on which you might disagree. General comments can be written on the back page of this form.**
